What is a Christian?

A person can live in a 'Christian country', attend a 'Christian church', belong to a good, upright family and still not be a Christian. The Bible teaches a Christian is someone who:

- is "born again"   *John 3:3-7*
- is "saved"   *Acts 4:12 & 16:31*
- has "received Christ"   *John 1:12*
- "loves Christ"   *1 Corinthians 16:22*
- becomes "like Christ"   *Acts 4:13*

We should be thankful to God that it is possible for any person to become a Christian. Our sins deserve to be punished, but God loves us and has no desire to punish us. Because of His love, He sent His Son to die for us on the cross at Calvary. On that cross "Christ died for our sins" and all the judgement, the punishment of God due to our sins, was suffered by Jesus Christ, so we could be offered forgiveness.

God is holy and just, and cannot overlook sin, but because of the perfect sacrifice of the Lord Jesus, the sinless Substitute, God's holiness is satisfied and He can forgive sins.

The Lord Jesus cried from the cross "It is finished," and so you can be saved, and become a Christian through trusting Jesus Christ alone.

"Believe on the Lord Jesus Christ, and thou shalt be saved"   *Acts 16:31*

Why not come along to the meetings at Applewood Community Centre and hear this message, the Gospel, preached for these 2 weeks at 8.00pm? You will be very welcome, and there are no collections taken.
